Division 28 – Section 32801

1. The New Mexico State Fair will not be responsible for any accidents that may occur to any participant in the Calf Scramble before, during, or after the scramble.
2. Incomplete Minors Releases Will Not Be Accepted. All information requested on the Minors Release must be complete. There must be two adult witnesses to the signing of the Release by the parents and the participants. BOTH PARENTS must sign the Release. However, if the parents are divorced, or if one is deceased, one signature is sufficient, but the notation of "DIVORCED" or "DECEASED" must be made in the space provided or the Minor's Releases will be returned.

Selection Of Contestants

1. Entries for the Calf Scramble will be taken until noon on Wednesday, September 15th, 2010 in the Livestock Office. Entries will be taken on a first come, first served basis until the maximum number of contestants is reached, provided entrants meet the qualifications listed below.
2. These participants should be carefully selected. Absolutely no substitutions will be made in the participant lists after they are received by the New Mexico State Fair Office, from Agriculture Education Advisor or County Extension Agent.
 - a. Ages:
Participants must have reached their 13th, but not their 17th birthday on January 1, 2010 and not be enrolled beyond their Junior year in high school.
 - b. Weight:
Participants must weigh at least 100 pounds.
 - c. Participants:
Participants who report to the Scramble Office must be in top physical condition. Any participant appearing with broken limbs, etc. will automatically be disqualified and the first alternate will be put in their place.
3. The following questions should be taken into consideration by Agricultural Education Advisor or County Extension Agents when making the selection of participants in the Calf Scramble.
 - a. Calf Scramble winners will be awarded \$750.00 for the purchase of a registered heifer and will be mailed to the winner. Many of the participants have had to add more money in order to obtain a suitable heifer for showing. Would the participant's parents be financially able to do this if it is found to be necessary?
 - b. Does the participant have suitable facilities for caring for and developing a heifer?
 - c. Does the participant have a real desire to own and show a heifer?
 - d. Is the participant the type who would devote their attention to the calf in an effort to bring a heifer to the 2011 Show that he or she, their sponsor, their supervisor and the New Mexico State Fair will be proud to show?
 - e. Are the parents willing (and are grades satisfactory) to allow the participant to spend the time away from school and other activities to bring the heifer to the 2011 Show and stay with her for the days necessary to show and care for her?
 - f. Will the participant be conscientious in submitting regular monthly reports to the New Mexico State Fair Calf Scramble Superintendent, to the sponsor and to you, on forms that we furnish?
4. Any participant who has won a calf through participation in the Calf Scramble at the New Mexico State Fair and Rodeo will not be eligible to participate in the Calf Scramble again.
5. After all Minor's Releases have been checked by the Junior Livestock Entry Office, each applicant will be notified of their acceptance as a participant, when and where to meet on the date and time they are to participate in the Calf Scramble by the New Mexico State Fair Entry Office.

Arena Rules

1. Participants and calves will be placed in the arena as directed by the arena director.
2. Participants will take into the arena a rope halter that will be supplied by the New Mexico State Fair. The halter cannot be used as a lariat. Halters must be placed on the head of the animal in the usual way. (It is suggested that the supervisors of all participants instruct the participants in the proper use of a rope halter, and how to place it on the head of a calf before coming to participate in the Scramble).
3. At no time will a participant be permitted to tie the rope to his body or belt.
4. Each participant will attempt to catch and halter one of the calves released. The participant catching a calf is required to halter it and lead it across the finish line without aid.
5. If a participant has hold of a calf, no other participant will be allowed to touch the calf until it breaks away.
6. If a participant catches the calf by the tail, they will be given a reasonable amount of time to work around to his head; otherwise, the referee will order him to let the calf go.
7. If two or more participants catch the same calf, the calf will be turned loose.
8. A participant who secures and properly halters a calf and leads it across the finish line will be declared a winner when so indicated by the referee.
9. Undue roughness will not be tolerated by the referee. Poor sportsmanship automatically disqualifies any contestant. Do not drag calf.
10. The Calf Scramble is to be refereed by a select group of not less than four referees.
11. Shoes with any type of knob or cleat (rubber or metal) will not be allowed.

Rules For Purchasing Calves Won In The Calf Scramble

1. A participant catching a calf in the Calf Scramble and otherwise declared a winner will receive a \$750.00 check with which to purchase a heifer of his or her own choice of the eligible breeds.
2. Should any contestant participating in the Calf Scramble fail to catch a calf and is then awarded a heifer by some member of the audience, said participant will participate in all awards offered to the scramble winners. The winner must care for the heifer under the Calf Scramble Rules, and the donor will become a Calf Scramble Sponsor.
3. To enable each individual winner to make the decision as to the breed of heifer they desire to purchase, substitute calves will be used in the arena for the Calf Scramble. Winners and their supervisors will then purchase the animal of their choice. This places the responsibility for the proper selection on the participant and their supervisor. It is designed to give the participant experience in selecting the proper type of animal for breeding purposes.
