NMLB GUIDE FOR LIVESTOCK EXHIBITORS 2010 SEASON

All out of state livestock must comply with New Mexico import requirements.

- Proof of ownership (NMLB “Form 1” inspection certificate) must accompany the animal when traveling; this will assure that all requirements have been met.

- Brands:

- 1.All in state show cattle must be branded with a New Mexico registered brand; if not that of the brand’s registered owner, a bill of sale and a letter of permission from the brand’s owner is required.

- 2.Fresh brands are not allowed – the brand must be “peeled and healed”.

- 3.A freeze brand does not qualify as a New Mexico registered brand.

- 4.Cattle may be shown with the originating herd’s New Mexico registered brand with a bill of sale and a letter of permission from that brand owner.

- 5.Certificates of Brand Exemption are allowed only on registered breeding cattle under that ownership. Steers do not qualify for a Certificate of Brand Exemption.

- All breeding bulls require a negative trichomoniasis test.

- All cattle are required to have a negative T.B.

- Steers must have a negative T.B. test. 1 test is good for the calendar show season.

- All sexually intact cattle over 4 months of age must have a negative T.B. test no more than 120 days prior to exhibition (applies to in-state cattle only).

- ACCREDITED TB FREE HERD STATUS WILL BE RECOGNIZED.

- 1) No copies or faxed copies of TB test charts (VS Form 6-22) or health certificates will be accepted unless signed by the veterinarian (who administered the test) in blue ink certifying the copy. The exhibitor must bring these documents to fair check-in.

- 2) NMLB approved regulatory identification is required for all test eligible animals, regardless of species or breed.
- 3) Any clinical signs or evidence of an infectious and/or contagious disease will result in that animal's immediate removal from the fair grounds.
- 4) Out of state equine and livestock entries must adhere to New Mexico entry requirements and all current New Mexico fair entry requirements. Please call the NMLB office for state entry requirements.

Any animal arriving at a show or fair, found not to be in compliance with New Mexico State Statutes or Livestock Board Rules, will be sent home and given the opportunity to become compliant for future shows and fairs.

Additionally, be sure to contact the destination fairs and livestock shows for their own rules.

For more information contact Dr. Dave Fly, New Mexico State Veterinarian (505)841-6161
