Exhibitor Rules

1. All rules governing livestock in the General Rules and Regulations apply to this section.
2. Sanction:
This show is sanctioned by the Miniature Dairy Goat Association, 24144 Decker Road, Corvallis, OR 97333.
The individual breeds will be judged with the same standard as the full size dairy goats with the height restriction of remaining below the minimum standard for the standard breeds.
Nubians, Alpines and Saanens must be below 30 inches tall.
LaManchas, Oberhaslis and Toggenbergs must be below 28 inches tall.
Preferred height for all mini breeds is 21-26 inches tall.

New Mexico Livestock Board Requirements

- Proof of ownership (NMLB "Form 1" inspection certificate) must accompany the animal when traveling; this will assure that all requirements are met.

The following requirements must be met:

1. A NMLB APPROVED fair ear tag provided by the NMLB and a Form 1 inspection issued by the NMLB.
 - All sexually intact sheep and goats must have an official USDA scrapie tag and/or breed registration tattoo, regardless of breed, no exceptions.
 - All sexually intact goats must have a scrapie tag prior to TB testing. The USDA scrapie tag is the official identification required for TB testing goats.
 - Sexually intact goats ≥ 6 months must have a negative TB test within 90 days of the exhibition.
 - Due to the nature of tuberculosis and the low risk of susceptibility in sheep; sheep do not require a TB test.
 - Accredited TB free herd status will be recognized.

Federal Sheep and Goat ID Requirements for Scrapie

Sheep and goats that are sexually intact and used for breeding, show and/or exhibition are required to have official individual animal and premises identification prior to sale or movement. For further information and information about rule changes, contact Mike Greenly, USDA, Albuquerque Office, (505) 761-3160.
